

MINIFLOW 400

COMPLETELY ELECTRIC FLOW-PACK

Ideal for baked goods, pharmaceuticals and various objects.

DESCRIPTION

The **Miniflow 400** is the new “Flow-Pack” packaging machine by **Minipack-Torre**.

Designed to simplify maintenance and cleaning operations for the customer as much as possible.

Thanks to the **3 high-performance Brushless** motors and its **7” Touch-Screen panel**, it will guarantee maximum versatility with format changes and therefore extreme simplicity in packaging operations.

It can package strapped products, **max 180 mm**, and can reach **100 packages per minute**.

With an optimal quality/price ratio, this packaging machine combines quality and technology, and it guarantees a high level of reliability.

This machine is suitable for packaging: Brioches, sweets, pharmaceutical products, sweets, chocolates, chocolate, various small objects and much more.
